Larry, I want to add Avi, Stacey, and a few CRFLO folks to the list of home numbers you prepared. Here are three in CRFLO. I'll also forward some others. Could you list them in alphabetical order? Thanks.

Stacey asked that we prepare a list of OGC staff and their contact information away from the office, in case urgent questions arise. Also, the EPA Emergency Operations Center has been activated for Gold King Mine, and they would like to have that information also. Can you send me the CRFLO contact information? We'll consolidate it with the SWERLO and Front Office contact information. Thanks.
